PROFESSIONAL SUMMARY

Results-driven IT graduate with a National Diploma in Information Technology (Multimedia) and over **2 years** of hands-on experience in front-end development, multimedia production, cybersecurity, and IT support. Adept at designing user-centric interfaces, developing scalable applications, and optimizing digital content using industry-standard tools. Proven ability to work collaboratively in cross-functional teams and adapt to fast-paced environments. Recognized for delivering **3+ successful web applications** and optimizing UI/UX for **multiple client projects**.

TECHNICAL SKILLS

- **Programming & Development:** JavaScript, React.js, Node.js, C#, ASP.NET, PHP, C++, Java.
 - **Front-End Technologies:** HTML5, CSS3, JavaScript, Bootstrap, WordPress.
 - **Multimedia & Design Tools:** Adobe Photoshop, Adobe Premiere Pro, Blender, Adobe After Effects, Unity 3D.
 - **Cybersecurity & IT Support:** Website security, troubleshooting, system maintenance.
 - **Database Management:** MySQL, Firebase.
 - **Software & Tools:** Visual Studio, Atom, Microsoft Office Suite.
-

CERTIFICATIONS & ACHIEVEMENTS

- **Python Essentials 1** (Aligned with PCEP-30-02) – Certified

- **Digital Entrepreneurship Certification** – Issued by NEMISA
-

EDUCATION

Tshwane University of Technology – National Diploma in IT (Multimedia), 2023

Key Courses: Technical Programming, Internet Programming, Software Development, Multimedia Design & Technology

PROFESSIONAL EXPERIENCE

Front-End Developer | ICEP (TUT-Soshanguve) | Aug 2023 – Oct 2023

- Led the UI/UX development for 2 enterprise-level projects, enhancing user engagement by 40%.
- Collaborated in an agile team to develop fully responsive applications using JavaScript, PHP, React.js, and Node.js.
- Designed interactive graphical interfaces that improved application usability by 30%.

Multimedia Developer (Intern) | Mosebo Networks & Mothehi ICT Training | Oct 2023 – Feb 2024

- Developed 5+ custom WordPress websites, improving website performance and user experience.
- Created digital assets using Adobe Photoshop & Canva, enhancing client branding consistency.
- Spearheaded front-end development tasks, optimizing website speed by 25%.

IT Intern | Shyren Pty Ltd | Jun 2024 – Present

- Managing cybersecurity protocols for multiple client websites, reducing vulnerabilities by 35%.
- Developing scalable web applications using React.js, Node.js, and WordPress.

- Providing technical support and system troubleshooting, ensuring 99% uptime for client systems.
-

KEY STRENGTHS

- **Strategic Problem-Solving:** Quickly identifies and resolves complex technical issues, enhancing operational efficiency.
 - **Creative Adaptability:** Innovates solutions in multimedia development, blending aesthetics with functionality.
 - **Collaborative Leadership:** Works effectively in team settings, ensuring project success through seamless coordination.
 - **Precision & Attention to Detail:** Ensures high-quality deliverables by maintaining structured development and design methodologies.
-

LANGUAGES

- **English** (Fluent) | **Sepedi** (Fluent) | **Zulu** (Fluent)
